Women for Women – Bracelets for Sale at their Virtual Bazaar

Dear Friends,

We have just received a new shipment of Afghan bracelets, which are now available through our online [Virtual Bazaar!](#)

The bracelets are handmade by women in our stone and silver jewelry program in Afghanistan. Women hand-cut stones from raw fluorite, giving each bracelet its own unique look. We currently have green stone and purple stone bracelets available.

Order yours today at www.womenforwomen.org/bazaar.html.

Proceeds from the sale of the bracelets help us to bring additional vocational skills training programs to more of our participants. Please note that since each bracelet is handmade, there may be slight variations in the color and size of the beads.
